What are some advantages to cutting all ties after a split?

Cupid's Advice:

Once you split with your ex, it can be best to lose any connection you have to them to avoid drama or heartache. Cupid has some tips:

1. No jealousy: If you spend time stalking their latest facebook pictures or checking their most recent friend activity, you'll begin to create scenarios in your head about how much better off they're doing, and it'll create unnecessary and false jealousy.

2. No constant reminders: They became your ex because you wanted them out of your life, so get them out. You don't need any reminders, whether it's pictures or Twitter popping up to give you a little memory of your time together.

3. Fresh start: By cutting all ties you can get the fresh start that you need to move on to a better tomorrow. Leave the past in the past and start trekking down a more hopeful, ex-free road!
