involved in our relationships. Here are some ways to get them to back off a bit:

1. Don't give out too much information: Though lying to your family is never a good idea, if you don't want them to get too involved with your love life, only tell them what they need to know.

2. Tell them you can take care of yourself: When your family tries to get too involved in your business, it's okay to say, "Thanks, but no thanks."

3. Get them to see the situation from your point of view: Chances are the family members getting too close for comfort into your love life would want you to get into theirs. Politely remind them of that.
