What are some ways to tell that your partner is “the one”?

Cupid’s Advice:

Finding “the one” is more than just finding a good kisser or someone who’s willing to spend a lot of money, but not enough time. Here are some ways you can tell if you have found your best match:

1. You enjoy each other: If you and your partner can lounge in the house all day eating pizza and mint chocolate chip ice cream while catching up on all the episodes of *Weeds*, you may have found your match. It’s not every day that you come across someone who can truly enjoy your company when you’re having a relaxed and lazy day.

2. They love him: By “they,” we mean family, friends... heck, even your beloved canine. If you love him and the most important people in your life love him, too, it’s a win-win situation.

3. You can be yourself: You sometimes can’t truly be yourself around everyone you meet, but, when you find the one person that you can wake up next to each day, not put on any make-up and they still think you’re the most beautiful person in the world – that’s “the one.”
