

New Couple: Are Mary-Kate Olsen and Olivier Sarkozy Dating?

The mature businesswoman Mary-Kate Olsen thinks the 42-year-old Olivier Sarkozy is just right for her. The two have been reportedly dating for over a month now. A source for UsMagazine.com says Olsen's choice to date a man 17 years older than her is because "She got the kid out of her system. Now being a businesswoman dominates her time, and she is rarely impressed with guys." The new couple seems very content with where they are, having recently attended a Knicks game as well as spent Memorial Day weekend together in the Hamptons. Maybe the age difference will end up working out for Olsen and

Frenchman Sarkozy.

How can you tell if your partner is mature enough for you?

Cupid's Advice:

Most of the time, people will be on a different maturity level than what their age defines them as. It's all about finding the perfect fit for where you are. Here are some tips to tell if your partner is mature enough for you:

1. Settled Down: Usually if someone has decided to settle down in one place with a stable job, then they've reached a level of maturity where they want to get serious, and that's a good sign.

2. Life Goals: You can usually tell a person's maturity level based on what they want to do in the future. They must be striving towards goals that will make them successful and happy, and that's who you want to be with.

3. Recent Relationships: Try doing a little background check on your partner. See why they chose the paths they did in life, and maybe why their most recent relationship ended the way it did. It will tell you a lot about what they want and what they're serious about.
