What are some important things to keep in mind while planning a proposal?

Cupid's Advice:

Proposing to your significant other is something anyone in a relationship wants to play out perfectly. Here are some tips to keep in mind while planning your proposal to make it as memorable as possible:

1. Speak from the heart: Explaining why you want to marry her should come naturally and easily. Avoid memorizing lines, which can cause you to stumble over your words.

2. Intimate setting: The location should reflect the mood of your proposal. A romantic and private setting will make her feel like she is the only one in the world that matters.

3. Comfortable environment: Find a spot where both you and your love can both be calm enough to share the special moment. An uncomfortable environment can lead to nervousness, which should always be avoided.
