How do you know if your partner will be a good parent?

Cupid’s Advice:

Becoming a parent can be scary. However, if you and your partner are a good team, parenting can be a lot easier. Here are some ways to know if your partner will be a good parent:

1. How they treat you: If your honey is sweet and fair to you, they'll be the same way to your child. Take a look at how they approach your obstacles as a couple and think about how their reactions could apply to raising a child.

2. If they're fun: Does your partner make your dates memorable and creative? Being able to use your imagination and find entertainment in the smallest things is important in keeping a child entertained.

3. Responsibility: Every parent needs to be responsible. Take a look at your partner's track record. If they're usually reliable and trustworthy, that will go a long way as a parent. Just remember not to expect perfection.
