What do you do when a marriage ends so soon?

Cupid’s Advice:

According to the Center for Disease Control and Prevention, about half of the couples who marry in the U.S. end up divorced. If the marriage can’t be saved, Cupid has found some ways to help you move on:

1. Ending amicably: This may or may not be possible, but in order to get back on track, you'll do better knowing that you gave it your all. Although the marriage failed, you don't have to hate your ex.

2. Take some time: When a relationship makes it to the marriage point and then ends, you should spend some time alone with yourself to reflect. By learning how to live on your own, you have a greater chance of meeting someone who you're really meant to be with in the future.

3. Look to the future: Once you're ready to put yourself back out there, plan your approach by implementing your recent reflections, know what to avoid in future partners, and start small.
