What are some ways to immediately welcome your baby into the world with your partner?

Cupid's Advice:

Having a baby is always an exciting time. Whether you decide to keep the announcement low-key or make it a big extravaganza, here are some ways for you and your partner to

introduce the world to your baby:

1. Social media: Introducing your baby to everyone you is easy with any social media website. Take to Facebook, Twitter or Instagram to share pictures of your bundle of joy. This way, your contacts will be able to view the photos whenever they want, and you won't have to send the images out multiple times.

2. Skype: Go ahead and Skype each of your family members. Even if they live far away, Skype will let them see your baby right away.

3. A baby shower: Why not let everyone shower the baby face-to-face? Throwing a huge baby shower will let your guests meet your little one for the first time while the two of you take all the credit for such a beautiful child.
