What are some ways to tell if your relationship is worth fighting for?

Cupid's Advice:

Every relationship has some troubles now and then. Sometimes, these problems can be worked through, though other times it's best just to put an end to the partnership. Here are some things to consider when trying to see if your relationship is worth saving:

1. Dependability: Do you still feel like you can depend on your partner to be there for you both physically and emotionally? It's important for them to support you when you need it. If you don't feel like they've been making an effort, it's time to move on.

2. Respect: All relationships are built on mutual respect. Partners who don't treat you fairly or appropriately aren't worth staying with.

3. Openness: Your beau needs to be able to talk to you about your problems, including how you feel about your relationship. If you're concerned about your relationship's stability, try telling your partner about how you feel.
