What are some ways to personalize your wedding invitation?

Cupid's Advice:

Your wedding day is all about you and your honey, so your invitations should be, too. Here are some ways to make your wedding invitation personal:

1. Cater to your interests: Theme your invitations around something you and your fiancé both love. Big sci-fi fans? Do a photo shoot with lightsabers. Do you both love to cook? Include your favorite recipes on the invite and ask for recipes in return.

2. Bring out your personalities: Is your significant other quiet while you're a chatterbox? Showcase your personalities with battling typefaces next to a telling photo. Fonts that range in size and style layered over one another will look perfect next to a photo of you shouting while your love covers their mouth.

3. Do something different: Bring out your creative side. Instead of paper invitations, try a photo collage or scrapbook, a video or even a musical invitation. Showcase your talents and show who you two are as a couple.
