How do you keep your independence while in a relationship?

Cupid's Advice:

Sometimes when you're in a relationship, it can be hard to keep yourself from getting completely wrapped up in your partner. Here are a few ways to stay independent:

1. Make sure to keep your friends: A relationship can be time consuming, because you always want to spend time with each other. The most important things are to keep your friends and to continue living your life normally. Once you lose your friends, you rely on solely each other for happiness and completely lose that independence.

2. Reserve at least one night a week with your friends: Have one night of the week which remains a guys/girls night out without each other. This will make sure you're still doing stuff for yourselves.

3. Don't change your dreams for anyone: If there is something you've wanted to do your entire life, don't let anyone change that. You shouldn't have to give something up that once meant so much to you just because you're in a relationship.
