**How do you show you care about your partner without PDA?**

## **Cupid's Advice:**

The older you get, the less PDA you seem to need to show when in a relationship. You don't need affection 24/7 to prove that

you care about your partner. Here are some ways to do that:

**1. Take them places:** Take your partner out with you, because it shows you want them around when you're doing fun things. You like their company.

**2. Have fun together:** You and your partner can have a date night doing something fun. Laughing together is enough without having to constantly be kissing each other.

**3. Surprise them:** One way to show your partner you care about them is by giving them nice little surprises, such as flowers. It's a way to show you appreciate them without smothering them.
