What are some ways to choose your partner's engagement ring?

Cupid's Advice:

Choosing an engagement ring is one of the most important things you can do before you propose. Here are some ways to pick out the perfect ring:

1. Trust yourself: You love your partner, and you know them

inside and out. If you love the ring, they'll love it, too.

2. Pay attention: Does your significant other wear a lot of silver? Gold might not be your best choice. Pay attention to their style and make a choice based on that.

3. Relax: The ring isn't going to make the decision for your love. Recognize that if your partner loves you and is ready to spend the rest of their life with you, they couldn't care less what the ring looks like, just as long as you're the one giving it to them.
