How can you include your kids in date night?

Cupid’s Advice:

If you can’t find a babysitter, there’s no need to panic. There are plenty of ways to include your children on your date

night. Consider these simple and romantic ideas:

1. Have a picnic at home: Prepare some food in a basket and lay out a blanket on the living room floor for your whole family. Even though you're still at home, changing where you eat can spark new conversations and create lasting memories.

2. Make your home a movie theater: Set up blankets and pillows on the floor for your kids while you and your beau take over the couch. This will give you and him some time together while still involving the whole family.

3) Take your kids to the park: Allow your kids to have fun together, running around and playing on the swings. Meanwhile, you and your partner can enjoy some time alone sitting on a bench as you watch them from afar.
