What are some of the most romantic things to do in Paris?

Cupid's Advice:

Paris is one of the most romantic cities in the world, so a visit with your significant other is definitely something to try. Here are some romantic things to do on your stay:

1. A couple's chocolate massage: Yes, you read that right. At the Four Seasons George V Hotel, you and your partner can enjoy an "All About Chocolate" spa treatment. A chocolate-mint body scrub is followed by a Swiss chocolate and toffee body wrap, and completed with a deep tissue massage using cocoa oil. It's sure to be a unique and romantic experience you and your beau will never forget.

2. Take a walk: As simple as it sounds, a walk around Paris is unlike any other. The Luxembourg Gardens is an ideal walking area at only about a mile long with beautiful scenery and rentable toy boats along the pond. After your walk you can stop by any nearby café for some wine and lunch to maximize your romantic day.

3. Tour of Paris by boat: Touring Paris via the Seine River is one of the most romantic things to do in Paris. After all, even Audrey Hepburn and Carey Grant did it. You'll see the city's most beautiful monuments and buildings while cuddling with your partner and lazily gliding down the river.
