

RHONY: Prosthetic Leg Shocks Ramona

Monday, July 16th @
9/8c – The Real Housewives of New York City

It's down to the ladies' last days in London, and the built-up tension between Carole, LuAnn and Heather turns into an all-out "royal war." Back in NYC, Aviva's concerns with Sonja's lack of effort in her party planning continues to escalate, and Ramona steps in to "check" on Sonja's progress. (Ramona sticking her head in Sonja's business is sure to end smoothly, right?!)

Watch: Ramona's second child...?

Watch: Ramona discovers how Aviva goes shoe shopping (sans leg).
