What are some ways to decide what to name your child?

Cupid's Advice: Choosing your baby's name is an incredibly important decision, and everyone has a different way of making a selection. Here are some creative ways on how to finally make a decision:

1. Baby names book: This is probably the least original and easiest way to choose your child's name, but it almost always helps. If you go through a couple of pages of the book every day, you'll eventually find yourself stumbling upon one that you love.

2. Name them after you or your partner: Let your new child carry on your name or your partner's, or at least something similar. You're sure to be proud that they have your name, making this a choice you aren't likely to regret.

3. Name them after someone who you look up to: Choose the name of a figure who has inspired you, whether it's a character in a book or a historical figure. Using this name will carry on a much deeper meaning to you and your child than one that just has a sound you like.
