What are some ways to prepare for a child you’re having via surrogate?

Cupid’s Advice:

Preparing for the birth of your child is stressful no matter how they’re born. Here are some ways to prepare yourself for having a child via surrogate:

1. Get to know your surrogate: Having a good relationship with the woman who is carrying your child is important. If you and your honey are close with your surrogate, they'll respect you and your child more, and be more motivated to take care of themselves and the baby.

2. Prepare each other: You and your partner have a stressful job heading your way. You've escaped the pressures of pregnancy, but parenthood is even more stressful. Make sure you're both ready by learning as much as you can.

3. Relax: There's no point in stressing yourself out. Create a welcoming environment for your child, and help your surrogate relax at the end of her pregnancy.
