**What are some ways to support your partner's passion?**

**Cupid's Advice:**

In a relationship support is a key factor to keeping each partner happy. If your partner doesn't support you in your solo endeavors and vice-versa, it can create tension. Here are some ways to support your mate's passions:

**1. Show interest:** You don't have to always take part in what your partner enjoys, but show interest every now and then. Try asking them about it at least once a day.

**2. Show up:** Actions speak louder than words. Be your partner's date at important events. Staying at home isn't a supportive decision.

**3. Show equality:** Just because you support your partner doesn't mean you need to forget about your own passions. Invite your partner to learn about your endeavors. Support goes two ways.
