Cupid's Advice:

PDA is always a controversial topic. Some people think it's borderline tacky, and others think it's perfectly acceptable.

Cupid has some suggestions on how to gauge what is right for you and your partner:

1. Hold hands: In public, hand holding is a safe way to show affection. It shows you both care without offending those around you.

2. A quick peck: A speedy kiss on the cheek, or even the lips is nothing to be ashamed of, and shouldn't make anyone around you think twice. It's a fast way to show that you not only care, but that you are attracted to your partner.

3. Do what feels comfortable for you: Sometimes it's best to just do what is right for you. The fact is, public displays of affection are not a crime. If what you are doing doesn't bother you, and you're fairly sure it's not making others around you uncomfortable, go for it!
