How do you overcome challenges as a couple?

Cupid's Advice:

Even if you and your partner are incredibly in love, your relationship is sure to have some challenges every once in a while. Don't assume that these problems ensure a breakup. Instead, use tips like these to work through them:

1. Confront the problem: Whatever dilemma you and your beau are facing, the first step is to acknowledge the problem. If you let an important issue bother you but don't speak up, you'll end up getting angry over irrelevant things and confuse them with your bad moods.

2. Communicate: Set aside a specific time to talk about the issue. Express your feelings to your partner and be sure to listen to their thoughts on the issue as well. Keep calm and try to come to a solution.

3) See a counselor: Going to relationship counseling gets a bad reputation, but it's nothing to be ashamed of. When you feel like you've done all you can and don't know where else to turn, seek out professional help.
