## **Cupid's Advice:**

Breakups can be difficult for everyone, but they shouldn't keep you from looking for happiness. Although it helps to wait before dating again, eventually you'll be ready to give it another try. Here are some ways you'll know you're ready:

**1. You aren't always thinking about your ex:** After a breakup, especially if you were dumped, it's likely that everything reminds you of your ex. When you're finally able to distance your thoughts from their memory, you're ready to find someone new.

**2. You've found someone interesting:** There's no need to rush into a rebound relationship after a breakup. Don't go for the first person you meet after your split. Instead, try to find someone genuinely interesting in order to ensure your new relationship lasts.

**3. You're feeling confident again:** Breakups can severely damage your self-esteem at first. Try to build up your confidence and comfort again by hanging out with friends and doing things you've always wanted to do. Once you feel good about yourself again, people will take notice.
