How do you know your relationship has what it takes to go the distance?

Cupid's Advice:

In any relationship, it's tough to "know" when things are right. Here are some ways to know your relationship has what it takes to go the distance:

1. You're willing to make the effort: Every relationship is tough, but if you're willing to work hard for your love, it's bound to be worth it.

2. You see a future: Do you envision things in the long term with your sweetheart? If you don't see it lasting more than a week, it likely won't, so try to picture things a year from now and see where you want to be.

3. You're happy: The most important part about being in a couple is being *happy*. Don't stay with your partner if you're not satisfied.
