How do you know when your relationship is ready to have a child?

Cupid's Advice:

Having a child is a big step in any relationship. Here are some ways to know you're ready to start a family:

1. You're on the same page: If both you and your partner are thinking about having a child, it may be time to start trying.

2. You're financially ready: Raising a child costs roughly a quarter of a million dollars by the time they're 18 (roughly \$14,000 a year). If you and your honey are financially ready for that commitment, it's time to consider other factors.

3. You're prepared (or preparing): If you and your love have started getting ready – buying your own place, getting a car, and taking care of yourselves both physically and emotionally – it's now time to prepare for a child.
