

# Find Out What Kristen Stewart's Body Language Reveals About Her Cheating Guilt

It seems that Kristen Stewart's shocking affair with her *Snow White and the Huntsman* director Rupert Sanders has marked the end of the actress' off-screen *Twilight* fairytale with longtime boyfriend Robert Pattinson. One body language expert even says the 22-year old showed signs of her infidelity months before the release of the photos on July 17th. In reference to a picture with Stewart, two of her co-stars and Sanders' wife, Liberty Ross at the movie's premiere, Dr. Lillian Glass tells [UsMagazine.com](http://UsMagazine.com), "This is the photo of the ultimate betrayal. Kristen has got what's called an ambivalent

smile. Her eyes aren't smiling, but she's got like a half smile of her mouth." Sounds like Stewart has bigger issues than simply choosing between Team Edward and Team Jacob.

**What are some signs that your partner feels guilty for something they aren't sharing with you?**

### **Cupid's Advice:**

The feeling of guilt has a very negative impact on the course of a relationship. It has the potential to weaken it for days, months, or even years. Here are some signs to help show your significant other may be hiding something:

**1. Avoidance:** Avoiding your partner reduces the amount of guilt you would have to feel on a daily basis as opposed to being in their presence and constantly feeling guilty. Try to determine the underlying issue.

**2. Unusually nice:** Treating your significant other better than usual is a key sign of guilt. They figure if they're extremely nice, they can possibly make up for what they've done and even feel better about them self.

**3. Lack of communication:** Minimal communication is an attempt to keep their secret from slipping. Try engaging in conversation in order to learn the truth.
