

Find Out What Kristen Stewart's Body Language Reveals About Her Cheating Guilt

It seems that Kristen Stewart's shocking affair with her *Snow White and the Huntsman* director Rupert Sanders has marked the end of the actress' off-screen *Twilight* fairytale with longtime boyfriend Robert Pattinson. One body language expert even says the 22-year old showed signs of her infidelity months before the release of the photos on July 17th. In reference to a picture with Stewart, two of her co-stars and Sanders' wife, Liberty Ross at the movie's premiere, Dr. Lillian Glass tells UsMagazine.com, "This is the photo of the ultimate betrayal. Kristen has got what's called an ambivalent

smile. Her eyes aren't smiling, but she's got like a half smile of her mouth." Sounds like Stewart has bigger issues than simply choosing between Team Edward and Team Jacob.

What are some signs that your partner feels guilty for something they aren't sharing with you?

Cupid's Advice:

The feeling of guilt has a very negative impact on the course of a relationship. It has the potential to weaken it for days, months, or even years. Here are some signs to help show your significant other may be hiding something:

1. Avoidance: Avoiding your partner reduces the amount of guilt you would have to feel on a daily basis as opposed to being in their presence and constantly feeling guilty. Try to determine the underlying issue.

2. Unusually nice: Treating your significant other better than usual is a key sign of guilt. They figure if they're extremely nice, they can possibly make up for what they've done and even feel better about them self.

3. Lack of communication: Minimal communication is an attempt to keep their secret from slipping. Try engaging in conversation in order to learn the truth.
