

Rumor: Have Dax Shepard and Kristen Bell Secretly Married?

It seems Dax Shepard has been very open about his relationship status with Kristen Bell on Twitter lately. According to [Hollyscoop](#), the actor routinely refers to Bell as his “wife” whilst tweeting. When asked about his loving reference, however, he said, “No, we would be very hypocritical if we were secretly married after being so openly against it.” So, what’s the deal with Shepard’s wifey talk? “I’m allowed to say whatever words I want in life,” said Shepard. To drive the point home, Bell added, “He can call me bozo.”

What are some ways to keep your wedding a secret?

Cupid’s Advice:

Sometimes it's more intimate and fun to keep your wedding away from the prying eyes of the public. Cupid has some advice:

1. Elope: The best way to keep your wedding under the radar is to have it somewhere else. So, hop on and a plane and have a destination wedding. It's both romantic and private.

2. Don't mention it: It seems obvious, but it's easier said than done to keep an upcoming wedding to yourself. If you really want to keep your wedding under wraps, however, the safest way to do that is to keep your lips sealed.

3. Make them sign: It doesn't have to be an official contract or anything, but somehow having people sign a piece of paper saying they won't spill the details of your secret wedding keeps them in check.
