What are some grand romantic gestures you can make to your partner?

Cupid's Advice:

There are many things you can do to show your partner you love them. Here are some ideas for romantic gestures that show you care:

1. Support them: There's nothing more important than supporting your partner in something they're doing. Show up at their office or show with a bouquet of red roses to express your support and love.

2. Take them on a date: Surprise your loved one with a romantic outing to their favorite restaurant on a day where it's least expected. It'll be good to get away from the house and have some one on one time together.

3. Give them a day to relax: Surprise your partner with a nice day at the spa to allow them to finally take some time to relax for themselves. It will be greatly appreciated and it shows you care and want them to relax and feel good.
