How do you decide if a big or small wedding is right for you?

Cupid's Advice:

Needless to say, your friends and family will all have their own opinions about how your wedding should be, but Cupid has some things to consider when deciding whether to have a big or small celebration:

1. Stay within your budget: Money isn't always fun to think about, but when it comes to your big day, it's really

important to do only what you can afford. The more people you invite to your wedding, the more it costs!

2. Consider the size of your family: When deciding how many guests to invite, it's easy to overlook the sheer size of your family. Add them all up before you commit to a specific number.

3. Remember your dreams: Most girls grow up dreaming of their perfect wedding. Did you envision having 100 attendees or 10? If you're one of those people who always pictured your wedding day, think about whether or not you'll regret not making that fantasy a reality.
