What are some unique ways to meet a potential partner?

Cupid's Advice:

Finding a potential partner can be a really difficult thing to do. Cupid has some advice on some new and interesting places to meet a new date:

1. Online: The stigma that comes along with online dating is starting to diminish. If you haven't had much luck finding people you connect with in your every day life, try an online dating site. Tons of people have successfully found a partner online, and it takes away the stress of finding someone on your own.

2. Volunteer activities: If there is a cause or organization in your community that you are passionate about, helping out by volunteering for a day can be a great way to meet new people that share some of your passions. Chat up the cute person working at the site with you and you never know what may happen!

3. Gym/park: If you are someone who loves the idea of working out, but may not be able to find someone to go with you, go for a run at your local park or hit the gym. Chances are, some cute single will be working out too (hopefully alone) and you can talk a little while you work out in a stress-free environment.
