What are some unique ways to find love?

Cupid's Advice:

No matter where you turn, love is all around us. Sooner or later, you will want one of your very own. Sometimes the

problem may be which area to begin looking. Therefore, when you cannot decide where to start, we can help with a few ideas:

1. Network: Networking is not only just for your career anymore. Talk to all your friends and acquaintances, asking them if they know of a single man that could be right for you. Also ask them to ask their friends for help. It is one of the best tools to finding a potential love.

2. Visit your local hardware store: Why waste your time searching for men at a club where the men-to-women ratio works against you? Instead, try your local hardware store, computer store, or even a sporting goods store. Make sure to pick a place where the men tend to outnumber the women in order to better your odds.

3. By train or subway: Next time you need to go somewhere, opt for taking a subway or train. Many single men travel this way, and it gives you a moment to start up a conversation. Plus, it literally gives you a way out should you not find any good prospects; you can always change cars or get off at the next stop.
