Breaking up is hard to do, especially when there are children involved. When children are involved, it is extremely important to try to remain civil with one another. Here are some tips on how to be sensitive to your ex's feelings:

**1. Don't boast:** If you have had the opportunity to find someone else, there is no need to shout your new love from the rooftops. Take things slow and keep them low-key, at least until it becomes serious and monogamous.

**2. Do be open:** Lying will only hurt your ex's feelings even more, especially if you get caught. In order to avoid a sticky situation, just be open and honest if they ask about your love life.

**3. Keep it clean:** Posting scandalous and revealing photos, comments or videos will only get you into trouble. Keep your personal life private – it will be beneficial for the both of you.
