

Sources Say Rihanna and Chris Brown Made Out at NYC Club

By Jennifer Ross

Are Rihanna and Chris Brown reuniting? A source told UsMagazine.com that Rihanna, 24, and Brown, 23, were caught making out at New York City's Griffin Club on Monday night. And that's not all! According to *Celebuzz*, Brown, who was seated at a different table than Rihanna, climbed over the center stage to get to her. The two then began to dirty dance with each other, unworried about the public. Late into the night, they eventually left separately. Where was Brown's now ex-girlfriend and aspiring model Karrueche Tran, 23, in all this? Not by his side.

How do you know whether to give your ex a second chance?

Cupid's Advice:

Just about everyone deserves a second chance at one point in their life. While your partner may have been the main culprit to the problem, there were other factors to consider that may have been your fault. Even so, should you consider giving your partner a second chance, here are three tips to ponder before you do:

1. Time has passed: Enough time has passed to give you both the space to reflect back on what happened, who did what, and where did each of you go wrong. Without you and your partner separately analyzing the issue and your negative contributions, history will repeat itself.

2. Taken responsibility: After re-evaluating what went wrong, the two of you have either taken or begun to take the necessary steps in fixing the issue within yourselves. Working on yourselves first ensures that you can give each other the openness to work through it and have a real fresh start at love again.

3. The decision is agreeable: In deciding to reconcile, the two of you have agreed to do so protecting each other and lovingly together. By both being on the same path and honestly dividing up the work between each other, only then can your relationship move forward with the best chance of surviving.

What reason(s) helped you decide to give your partner a second chance? Comment below.
