**Do dates have to be expensive to be meaningful?**

## **Cupid's Advice:**

Spending a fortune on a date does not guarantee priceless memories or even a second date. The five-star experience is

great, but you can't buy love. Cupid has some things to consider when it comes to spending money on a date:

**1. Love is priceless:** It's not about the money you spend on someone, but the connection you make with them.

**2. Finding love can be free:** Many happy couples have gotten to know each other by taking a walk together or watching television at home. You don't have to spend money to have a wonderful time with your mate.

**3. Make dating a treat:** Once you've made the connection and have money to spend, there's nothing wrong with doing something extravagant. Be a big spender once in a while, but know that how much you spend on someone has nothing to do with the quality of your time together.
