What's the best way to introduce your partner to your friends?

Cupid's Advice:

Introducing your new beau to the important people in your life can be nerve-wracking. Cupid has some suggestions to make the introductions less painful:

1. Set limits: Don't introduce your partner to all of your pals at once. Try introducing him to only a few of them at first. A week or so later, have him meet some other friends. Take it slow, so you don't overwhelm him (or your nerves).

2. Pick and choose: Try having your most friendly pals meet your mate first. Pick outgoing friends that you're sure will strive to include him in conversation. When your man is up to the challenge, bring in the friends that are harder to impress.

3. Relax: It's hard not to get nervous, but remind yourself that your partner is probably as nervous as you are. Try to be confident, and he'll be less nervous as well.
