Ladies, let's face it. No matter what frustrating gender-based challenges still exist in this male-dominated world, women have more rights and freedoms than ever before, thanks to the hard work of our ancestors. That is not to say that everything is perfect; such a concept may never exist. However, in this day and age, it is finally possible to have your cake and eat it too. We are better women, better lovers and better mothers. If history has any knowledge of our future, chances are, we are only going to get better with time.

One woman familiar with the concept of having it all is Nicki Minaj. With her creative musical abilities, iconic sense of style and star originality, she set out to succeed in the

male-dominated hip hop world – and has done an incredible job thus far. Minaj continually pushes through boundaries to achieve her extraordinary vision, something that her millions of Barbz (her fans' nickname) love to emulate. Determined to express herself through various mediums, she now applies her passion for life to the world of fragrance.

A natural progression in her blossoming beauty empire, Pink Friday is Minaj's first scent. Pink Friday captures her vivacious personality and effervescence in both its intoxicating notes and thrilling presentation. The fragrance mixes complementary playful and sultry notes of juicy fruits, creamy vanilla and sensual musk to create an exhilarating scent that ignites beyond the senses. The unique bottle design (seen below) is another example of her 'wow' factor.

Pink Friday is perfect for any occasion. Whether you want a playful floral scent to pair with your fun-loving personality on that first date or the sultry aroma of musk to wrap your skin on a romantic dinner with your spouse, this fragrance has it all. Lucky for you, Minaj is giving two CupidsPulse.com readers a **1.7 Pink Friday Nicki Minaj Eau de Parfum AND a Pink Friday Nicki Minaj Body Lotion!** The total retail value of each winner's prize is \$74.
