

'Breaking Dawn Part 2': The 'Twilight' Finale Is Finally Here

By Nicole Weintraub

The long awaited conclusion to the *Twilight* saga has finally arrived with the final installment of *Breaking Dawn Part 2*. Who else is not jumping in their seat from sheer anticipation? Real life couple Kristen Stewart and Rob Pattinson reunite on the big screen as Bella Swan and Edward Cullen. In the first part of the last installment, our favorite vampire and human couple tied the knot. Low and behold somehow Bella became pregnant and in order to save both her life and their baby's life, Edward turned her into a vampire. Now, officially a Cullen and a vampire, Bella will stand by Edward through thick and thin to protect her new family and new husband. The Volturi, the official authority of vampires, has learned of the birth of a half human half-vampire child and fears for the

safety of vampires as a whole. They seek out to destroy the child, but the Cullens stand together and will fight before they let that happen. In the epic conclusion of the *Twilight* series, the Cullens will rally troops to go head to head against the Volturi to protect all that they love. Ashley Greene, Nikki Reed, Jackson Rathbone and Kellan Lutz return as the Cullens. You won't want to miss this as, it already hit theaters November 16th.

Should You See It: Is that even a serious question? Who has not been waiting for this release since the original movie of *Twilight* hit theatres? Not only will this be the first onscreen appearance for the real life couple of Stewart and Pattinson since their break up and rekindling, but also it will be the last time to see our favorite couple of Bella and Edward. The trailer alone sends chills down your spine and lures you in just a bit closer to the screen, wanting to watch the entire movie.

Who To Take: Anyone! It has action and gore for the boys while still having all of that romance and vampire glamour for the girls. Go with a parent, girlfriends or your partner. Just make sure to make it known that you will not stand for talking or kissing during the movie; this is a movie you will not want to miss a second of after all the waiting you have done.

In the trailer, not only does your heart start pumping but we are also given a glimpse into the lives of Bella and Edward Cullen as a newly married couple of the same species. In the last movie we were introduced to the couple as an official husband and wife, but not as a vampire husband and a vampire wife. The two seem to be closer than ever as Edward explains

that the two are now the same temperatures. It seems that with now being the same species, the two have a deeper connection. This deeper connection is also further developed with the arrival of their daughter and the desire to protect her from the Volturi. The Cullens ban together as a solid family unit to stand for their own, allowing Bella and Edward to come together as a newly married couple with a fantastic support system.

What are some ways to strengthen a relationship emotionally? Cupid's Advice:

What are some possible ways to further advance as a couple – emotionally? Here are some tips on how to deepen your connection to your significant other:

1. Time investment: The more time you spend with someone, the stronger your connection will be come automatically. By experiencing new things together and creating new memories, the two of you will have something to laugh about and look back on. Take some dancing lessons or go ice-skating and create a scrapbook together afterwards.

2. Emotional investment: In order to be completely open to strengthening and deepening your relationship, you have to be honest with yourself and with your partner. Keeping secrets is only going to push them further away which will not result in deepening a relationship.

3. Physical investment: Physical attraction and displays of affection (notice I did not say public displays of affection) is a great way to build on an emotional level. For many people relationships are a mixture of physical needs and emotional needs, not just one or the other.
