## **What are some ways to incorporate a surprise element in your wedding?**

### **Cupid's Advice:**

Weddings tend to be very structured and scheduled, right down to bathroom breaks. Here are some ways on how to add a little surprise in your wedding to break up the schedule whether you're looking to surprise your partner or the guests themselves:

**1. A toast:** Rather than having members of the couple's family or members of the bridal party toasting the couple, why not have the couple toasting their guests. A simple thank you and a heartfelt appreciation for those who took the time out to join you on your special day can go a long way.

**2. A gift:** If you are looking to surprise your significant other, buy them something special and then reveal it to them at the reception on your wedding day. Or, buy your bridal party and groomsmen a present as a token of your gratitude for them putting up with all of the chaotic wedding planning.

**3. A step back in time:** Playing an old favorite or an ode to the golden days can be a crowd pleaser for everyone – parents and old friends alike. If all of your bridesmaids were Justin Timberlake fan girls, for example, dedicate an old Nsync song to them.
