## **How do you keep rumors from affecting your relationship?**

### **Cupid's Advice:**

Rumors, unfortunately, are a part of everyday life. Regardless of how old you are, rumors will encircle you. Here are some ways to keep rumors from affecting your relationship:

**1. Rubber and glue:** As old fashioned as it sounds, remember the childhood saying regarding rubber and glue? It's completely true though – words are merely words. Whilst they may hurt at first, don't give them another thought because rumors are merely untrue myths.

**2. Don't add fuel to the fire:** The more you make a big deal out of the rumors, the more your relationship will be affected. If you do not give the rumors a second thought, your partner will follow your lead and do the same.

**3. Look the other way:** Ignore people who have negative comments about your relationship. As long as you are happy, that is all that matters. If people are spreading rumors about you, then you are better off without their negative energy in your life.
