What are some signs that a break up might be in your future?

Cupid's Advice:

Break ups are difficult to get through, but sometimes there are clues that there might be a visit to splitsville in your future. Here are some key signs to look for:

1. Fighting: If the two of you are fighting frequently and arguing over every little thing, it could be time to take a break. Sometimes when we spend so much time with the same person they start to get on our nerves, even if they do nothing wrong.

2. Distance: If your partner and yourself are spending more and more time apart, it might be time to break things off. The less time you spend with your partner, the less you feel like you are in an actual relationship.

3. No Passion: If the chemistry between the two of you is dwindling, it might be time to try to rekindle the spark. Though, if there is no more passion in the relationship it might be time to call it quits.
