What are some ways to keep the honeymoon phase going once the honeymoon ends?

Cupid's Advice:

The honeymoon's over! Here are some tips on how to extend that happy honeymoon phase even after the vacation period is over:

1. Spend time together: Remember that just because the honeymoon itself is over does not mean that the relationship simmers down. Date night is a must in a successful marriage. Set aside time just for your significant other.

2. Live separate lives: Be careful not to spend every waking moment with one another or else you are going to wear yourselves out. Do your own thing but be sure to make your partner a part of it in some way.

3. Communicate: Communication is key. If you feel that you are not as happy as you were on the honeymoon, you need to be honest with your partner. Together, the two of you can work to recapture that happiness.
