What are some steps to take if you've been assaulted by your

partner?

Cupid's Advice:

Assault is a very serious issue and steps must be taken if your partner strikes you. Here are some things to do if you find yourself in this scenario:

1. Walk away: Before the situation escalates and gets even more dangerous, walk away if you can. There is no excuse for your partner assaulting you. Regardless of why they did so, remove yourself from the situation as quickly as possible.

2. Tell a friend: Don't keep it to yourself. Tell a family member or a trusted friend who can be your confidante. Someone needs to know what is going on so that they can help you. Stay with a friend for the time being if needed.

3. Press charges: Whether you choose to press charges or not, keep in mind that if it happens once, it is going to happen again. Under no circumstances is it acceptable for someone to physically harm you.
