Cupid’s Advice:

1. You can talk (or sit in silence) for hours: While ample conversation will make for easy communication in later life, easy-going silence is a tell-tale sign of whether or not you've found the one. Comfortable silence shows that you are truly compatible together.

2. Similar goals: When you both have the same goals in life (like a house in the suburbs or a life full of traveling), it is easier and more likely to be a lasting couple. Love is only half the battle.

3. Unmatched feelings: You can honestly say that you have never felt the same way before. You appreciate your beau for all of his flaws, and can't wait to spend time with him. You lose sense of all logic and reason.
