How can you keep your relationship alive?

Cupid’s Advice:

After being married for several years, you may find yourselves getting into a rut. Cupid has some advice to help make sure the honeymoon doesn’t end:

1. It’s date night: Sometimes a marriage can feel as if it’s

becoming all work and no play. Give yourselves a night out, without the kids, to have fun. Take the time to catch up on the things which get lost in everyday craziness.

2. Take on a new interest together: Talk about doing something the two of you have always wanted to try, but never had the time to do. Sign up for cooking lessons or take up a new sport. It's never too late to explore something new together.

3. OMG... I luv u: Technology now and days makes it easier than ever to stay in touch. A quick "hello" or "I love you" via text will let your spouse know you're thinking of him or her throughout the day.
