How do you deal with your partner's jealous ex?

Cupid's Advice:

Sometimes one of the hardest parts of your current relationship is dealing with your partner's past relationships in the form of a jealous ex. Cupid has some advice:

1. Ignore it: Your first action should be to ignore what's going on and to try not to react to it. Sometimes this is enough to encourage your partner's ex to give t up.

2. Have your partner address it: The fact is that you shouldn't have to deal with your partner's past relationships. Tell your mate how you feel and have him or her have a talk with their ex to smooth things over.

3. Confront the situation: If neither of the above works, it's time to take matters into your own hands. Sometimes being direct about your feelings with your partner's ex can be what it takes to shut down the situation.
