How do you gain respect back as a potential partner after a series of mishaps?

Cupid’s Advice:

With life’s challenges and unpredictability, it is understandable how mishaps can happen causing you to hurt your partner. However, remedying the mistake and regaining their respect is possible. By following the steps below, soon you will be on right side of love:

1. Lay low: Usually, a great thing to do is lay low for awhile after your mistakes. You, your mate and anyone else involved will need time to digest the situation and calm any negative feelings. This is not to say that you should go into hiding. Rather, focus only on fixing the issues and not any extras that could make things appear the same or worse.

2. Rebuild reputation: With your reputation tarnished, work on rebuilding your life back to where you want it. Moving forward, pay attention to what you say or write to your partner, family and friends so as not to have them misconstrued. Also, be sure that your actions are leading you towards the reputation you want.

3. Keep your promise: After everything, hopefully you have learned a lesson in how not to ruin your relationship. Take this opportunity to be a better partner through love, respect and honesty; don’t just pretend to be one. Keeping your promise from here on out will lead you back to a loving relationship.
