**How do you make your partner feel better when he/she is sick?**

**Cupid's Advice:**

Taking care of your partner while he/she is sick goes along with the commitment of being in a relationship. Here are some tips on how to make them feel better:

**1. Stick around:** If you had plans to go out with your friends, reschedule so that you can stay inside and spend time with your partner. Watch the game at home instead of going to the bar to watch it with your friends.

**2. Bring the soup:** While home made chicken soup is always a personal favorite; some of us are not culinary experts. If the kitchen is not your place, just order in some food for the two of you.

**3. Order a movie:** Have a lazy movie date night inside since your partner cannot go out. Instead of bringing them to the movies, bring the movies to them.
