How do you announce the arrival of your baby?

Cupid’s Advice:

Announcing the birth of your baby is a very exciting time. However, gone are the old fashion days of handing out cigars. For innovative ways to spread the word, here are a few modern ideas:

1. Update Status: Social networking sites, such as Facebook and Twitter, are easy ways to announce your baby's birth. Besides it virtually costing you nothing, you and your partner can even update friends and family during the delivery process.

2. Family Website: Consider creating a family website. Here, you can share more than just the announcement, such as pictures and any family news. It's a great way for your family to stay connected throughout the years.

3. Say it sweetly: For something more substantial than a birth announcement card, why not order edible announcements in the form of a chocolate bar. The wrapper can have printed all the vital information. You can even have the bar hand stamped with the baby's name.
