What are some ways to celebrate holidays when you're pregnant?

Cupid's Advice:

It can be tempting to join in the fun with a drink on holidays, but when you're pregnant, it's not an option. Cupid has some alternatives:

1. Flavored sparkling water: You may not be able to drink champagne, but that doesn't mean that you can't indulge in a sparkling refreshment with everyone else. Make a drink that looks and feels like the real thing instead.

2. Eat instead: One of the good things about being pregnant is that no one's going to judge how much you eat when you're eating for two. Plus, your body needs more food than it used to need. Indulge in some yummy snacks to take the place of drinking!

3. A glass of wine: Many doctors these days admit that having one glass of wine every now and again isn't going to hurt your baby. Make sure to check again with your personal doctor, but a strategically timed class of red wine will help you feel part of the holiday fun.
