1. He talks about having kids and gets excited: Obviously women are hesitant to bring up the baby talk in a pre-marriage relationship. However, you may find that your man constantly brings up having kids. He may even drop little hints like suggesting names he likes or talking about what your kids would look like. This is a sure-fire sign that he is definitely up for the Daddy role.

2. He coaches a sport with small children: If you guy is, or was, an athlete at some point in his life, chances are he either coaches a little league, or is thinking about doing so in the future. Go to some of his games or practices. Observe how he interacts with the kids. If he is super involved and can't stop talking about how much he enjoys the kids he coaches, looks like he may be on the father track. He's also getting a ton of practice.

3. He is great with a friend or family member's kid: So your friends or family members start having kids. Is your guy excited to go see them? Does he immediately interact with the child the moment he gets there? Guys that are comfortable around [children](#), and interact well with them, usually sport that 'dad gene.'
